

Jette Meadows Homeowners  
Box 34  
Polson, MT 59864-0034

January 4, 2016

Jette Meadow Homeowners,

The purpose of this letter is to update you on several things in our community.

First, this is a yearly reminder that if you pay your 2016 property assessment before January 31, 2016, it will be \$50.00. After that, it will be \$60.00. Please mail your payment to the address at the top of this letter.

Gordon Terry has been collecting an email list of any homeowner who wants to be reminded in the future of early payment opportunities and any immediate news issues that come up. Send an email to Gordon at [gderry2003@yahoo.com](mailto:gderry2003@yahoo.com). These email addresses will be used only for Jette Meadows business and will not be given to anyone outside the Board.

We want to encourage homeowners to visit our website often at [www.jette Meadows.com](http://www.jette Meadows.com). We now include an archive of our past board minutes over the year and will continue to do so. It will give you a snapshot of business addressed at board meetings and our monthly bank balances. We plan to put other announcements on the site. Recently, we placed information about a lost dog. (We are happy to report the dog was found). Contact can be made to Andrew Speer, our current president, at [contact@jette Meadows.com](mailto:contact@jette Meadows.com). Feel free to make comments or ask questions using this address.

Jette Lake community held a meeting with Sheriff Don Bell and County Attorney Steve Eschenbacher to discuss home invasions in the Jette Lake area. Break-ins have increased around the county by organized groups. Gordon contacted many homeowners via his email list and we had a good showing at the meeting. The Jette Meadows board plans to put up some Neighborhood Watch signs at the entrances and have an informational meeting. We also suggest that each area gather with your neighbors to organize street watches. More information on the Neighborhood Watch program can be found on the internet at [www.nnw.org](http://www.nnw.org). Though we know of no recent local invasions in our community, it is a good idea to be proactive. We will have an update on the website and email those who provide us with their email address.

Happy New Year and best regards from the board,

Andrew Speer  
Gordon Terry  
Brent Sliker
